Kartikey,

I just received notification that the Laptop should arrive today. Let me know when you hear that it has arrived.

Address : 300 Waupelani Dr, 2006 Harshul Nagpal, The Retreat State College, State College 16801.

They should be delivered within the next week or week and half if possible.

This is only for the first laptop though the one from Best Buy.

The Apple products should be delivered after August 24th to a different address that I'll provide later.

Thanking you
Kartikey Pandey

Thank you Amy.

Ordered Immediately:

<https://www.bestbuy.com/site/sku/6570270.p?skuld=6570270>

We would like this Laptop to be ordered as soon as possible as one of our team members parents are in the US for the next two weeks and we would appreciate it if the device could come back with them.

These two devices are to be ordered from the Apple Education Store:

MacBook : <https://www.apple.com/us-edu/shop/buy-mac/macbook-pro/14-inch-space-black-apple-m3-pro-with-11-core-cpu-and-14-core-gpu-18gb-memory-512gb#>

IPad : <https://www.apple.com/us-edu/shop/buy-ipad/ipad-air/11-inch-display-128gb-space-gray-wifi>

Thanking you

Thank you Amy and sorry for the delayed response. After discussing with the team, we realised that it was cost us a lot more to buy these items from the Indian store front, which would not let us get everything we need.

One question I had was that if the items we order are from Apple, can they be ordered from the Education Discount Section.

Thanking you
Kartikey Pandey

Kartikey,

I did some research and it looks like we can purchase those for you but it requires us to gain access to a different type of Amazon account through the university. I am not sure how long the approvals will take. How long will you be at the address you provided?

Kartikey,

Could you please send me a link to one of the items in the Indian Storefront? I am not sure that our tax exempt will be permitted on the purchase and I will have to look into it. We are not permitted to purchase any items that are taxed per Penn State Purchasing Card Policy

Amy

Good Morning Sir,
Have the issues with the card been fixed and would it be possible to get the items delivered to us in India, by ordering the items on the Indian Storefront of Amazon?

Thanking you,
Kartikey Pandey

Good evening Sir,
I have done refunds with college in engineering and College of IST, I understand colleges work differently but if you can look into it, It would be really helpful.
On the other hand, can reimbursements in gift card be a way out? Or maybe if the card works in next few days- we get the stuff available in nearby bestbuys or other stores in person?

Really sorry for the inconveniences caused
Regards
Kanika

We can't go the refund route It wouldn't be approved by Penn State.

We're coming back in August, but to move forward with our Pilot Program this summer, we really do some of the things on that list, like the Inspiron and the Zephyrus Laptops.

Is there any other possible option, such as where we buy these items and request for a refund based on the receipts of the same items already approved?

Thanking you
Kartikey Pandey

Kartikey,

I tried several times to place your order. I think it's something with my penn state purchase card which will take a few days to solve.
I would want to make sure one of the team members receives items rather than a third party. When will you be back in State College?

Address: 300 Waupelani Dr, 2006 B Kartikey Pandey, The Retreat State College, State College, PA 16801.

Usually, the Best Buy Delivery date has been accurate in my experience. In case of issues, like a delay in the delivery, which shouldn't happen, my roommates can pickup the delivery and he is coming back in July, he can bring the items to us then.

Thanking you,
Kartikey Pandey

This might be a challenge especially if you are away and laptops are stuck in transit. Please provide me with a physical address and I will see. We may have to explore other options since things usually don't go well in haste.

Subject: Request for purchase of items from AGSpring board winning fund.

Good Morning Sir,

This is the list of items we have decided to buy for our business to help our venture advance.

1. [Macbook M3 15"](#). We have decided to purchase this for our business to help with IOS development and to help improve operational efficiency and productivity for Kartikey Pandey.
2. [Zephyrus G14](#) We have decided that this would help our business with the major development of our AI model with a power and remote GPU and Processor. We will be using this to develop our backend.
3. [XPS 13](#). We have chosen this laptop to help improve operational efficiency and productivity for Kanika Gupta.
4. [Dell Inspiron 14](#). This laptop will be provided to our partner on the ground in India, to facilitate communication and help improve operational efficiency. He is our main point of contact, and without a manageable machine, it is difficult to communicate and analyze the data he is collecting on the ground.

Thank you for the opportunity to help us grow our idea into a viable business and providing us with the funds to further our venture.

We would greatly appreciate if we can get all the items on or before 6th May, as Kanika and I are leaving for India on 6th May from New York and will need these machines to continue working remotely from India and trying to launch our first PILOT Program.

We can do any pickups from Best Buy State College if that makes it easier and our delivery address is : 300 Waupelani Dr, 2006 B Kartikey Pandey, The Retreat State College, State College, PA 16801.

I believe all the machines other than the Zephyrus G14 should be available for pickup and the G14 can be delivered to us by 6th May.

Thanking you,
Kartikey Pandey.
